January 2012

Dear Delegate

Lancashire Girls' Golf 2012.

We will again be offering a full programme of golf competitions, matches and training for all Junior girl members of Lancashire clubs.

The Lancashire Girls' Golf Association

Please encourage all your girls aged under 21 to join the Lancashire Girls Golf Association. We hold events for every level from beginner to scratch player. 18 hole Competitions run from April to October for players with Congu handicaps of 35.4 and below. All other girls can play in 9 hole competitions on Par 3 courses. Members are encouraged to play as soon as they join. Matches against other Counties and Associations are held. Training Days with the County Coaches are offered to as many girls as possible.

The web site gives information on LGGA events www.LLCGA.org

Introduction to Golf

These sessions are for junior girls who are new to your club, or do not yet take part in any Lancashire Girls' Golf Association events. In a couple of hours every girl spends time with a PGA Professional, receives advice on their swing and short game ability and meets County officials. Parents and club officials are welcome to come along too. So please return the enclosed form, and I will send out a personal invitation to them, asking which venue they want to attend.

The dates for these are:

Wednesday 4th April

Thursday 12th April

Manchester Golf Club

Samlesbury Golf Centre

Scott Connor

Jane Forrest

Ladies' Section Girls' Organiser

England Golf and Lancashire request that you appoint a lady member to look after the girls. She can help them to get involved in your club events, encourage them to get a Club handicap from 37-54.

Please can you fill in the enclosed form and return it to me, *even if you have no girls.*

Yours Sincerely

Linda Marr

County Junior Organiser
