Monday 27 June

Lancashire got off to the perfect start by winning all three morning foursomes. Cumbria fought back in the afternoon singles with a strengthening wind making playing conditions difficult. Catherine Roberts won the battle of the County Champions with young Caitlin Whitehead. Louisa Brunt gave Lancashire a winning margin before Lauren Green, making her debut at County level, started with a great win against Natasha Slater. Hollie Muse won the final point

Tuesday 28 June

Another solid performance from all members of the team saw Lancashire win three foursomes and take four points from the singles to give them another seven matches to two victory over a strong Durham team.
'A superb team effort over the last two days, we are looking forward to the rest of the week.'
Jennifer Adams, LLCGA Captain

Wednesday 29 June

Lancashire took all three foursomes points again to maintain their 100% record. The singles got underway after a delay for heavy rain. Northumberland fought back strongly to halve the singles and give Lancashire a 6-3 winning margin.
Lancashire and Yorkshire, the only two unbeaten teams, will face each other tomorrow.

Thursday 30 June

Yorkshire took all three points from the foursomes after fighting back in the first match to win on the last green. Lancashire fought all the way in the singles just losing out on several close matches to give Yorkshire an 8-1 win.

Friday 01 July

Heavy overnight rain and wet early morning conditions meant that the foursomes matches were abandoned to allow the greens staff to get the course ready for the singles matches. Lancashire had the upper hand over Cheshire and won the Singles matches by 3.5 to 2.5 to add to the 1.5 points all teams were given for the Foursomes. Their 5 matches to 4 win ensured them the well deserved Runners-Up place behind the 2016 Champions Yorkshire who will represent the Northern Counties at the County Finals in September.
